Philodelphia's Opium Parlor.

Philadelphia letter: Mrs. Kate Chiswoman of about thirty-five years, and her appearance does not indicate a vic-tim of the opium habit. As far as the three rooms on the first floor the interior of the house is furnished with a spectro inxury rarely attempted in a house of the kind. The walls are rich in gilding sions. and decoration; on the floors are heavy furkish and Persian rugs, and statues, pictures and bric-a-brac are scattered old a story of an adventurous car er.

ears I lived there happily. How did begin to use opium? Well, it is an neglected everything, and could take central nucleus. The spectroscope in interest in nothing connected with the short period since its invention, has sefore. My husband died two years af-er my marriage, and after his death I

sighteenth street, kept by a French soman called Mme. Fanlan. Mansield. Montaland, and other notorious women were regular patrons of her place. No men were admitted, and rooms were fitted up with Oriental uxury. I often remained there a week at a time without seeing the outside world. Women prominent in society are there also, but a rule they did not smoke much; the novelty of the thing done seemed to attract them. It soon became too expensive for me to continue to go there, for her charges were enormous. About this time the idea of naving a place of my own suggested and money enough left to furnish a few rooms. So I opened an opium parlor on East Sixteeuth street. My place oon became popular. Many of Mme. Faulan's customers came to me, and my success was assured. I would be there to-day had it not been for the treachery of one whom I betriended. Among the frequenters of the French woman's place was a young actress, then playing a leading part in one of the New York eaters. She was very beautiful, and mite the rage among the gilded youth sho affect things theatrical. She came originally, I think, from England, and of all the opium-takers I have ever seen she was the worst. She was completely infatuated with it, and whenever the could escape from her duties at the after I had opened my place she came to me broken in health and in abject overty. I pitied her and took her in and gave her a home, but she proved an ngrate, and I soon regreted my kindness formed the husbands of some of my best patrons that their wives came to

my house to smoke opium. Of course, this greatly injured my business in New York, but it taught me a lesson that I have not forgotten." Mrs. Chisom claims that many of the frequenters of her place on Mount Vernon street move in good society and reside in the fashionable quarters of the city, and she seems to consider herself a public benefactress in offering a quiet retreat to women victims of the opium others when they first come, she Cattle brand and counter brand maively remarked, "but they do not Mordeca Marsh and A F Yound. ome to me as take it in their own William F.
